If you so desire, you may make application before a Sub-agent for this district, but such application, or the telegraphic advice of such application from the Sub-agent, must be received in this office before the expiration of the 30 days period above mentioned.

You may make application for **homestead** entry by proxy by having your father, mother, son, daughter, brother or sister appear in your behalf, but in the case of any other class of entry the application must be made by yourself personally. Request for Transfer of Dominion Lands.

Re: Arthur Leman, No.808772,
N.E.¼ 26-16-2-W.5th M. - Hsd.

The above named settler secured advances from the Board totalling $5400, the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Leman requesting that patent to his homestead should be issued in favour of the Board. Mr. Leman states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 15th December, 1925.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1831), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 26-16-2-W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Entry granted - 23rd November, 1910.

Application to have patent for this land vested in the Soldier Settlement Board under the Order in Council of the 4th June, 1921, (P.C. 1321).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount: ------- $5400.00.
Purpose: ------ Not stated.

He has applied for patent claiming duties as shown on form No. 56A hereunder marked. Apparently his duties have been completed in a satisfactory manner, and the application has been accepted, but in view of the above mentioned loan, he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a Memorandum hereunder dated the 8th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issue in favour of the Board, and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

INTERIOR. RECEIVED Commissioner DOMINION LANDS.

Ottawa, 16th June, 1905.

MEMO;

The Commissioner of Dominion Lands,

The NW 1/4 Section 4, Township 14, Range 24 W.4th Meridian, lying North of the Bow River is the homestead of Charles R. Williamson who in his application for patent applies to have that portion of the quarter section lying South of the River added to his homestead and included in the patent which is to issue therefor. There is less than 20 acres involved in that portion South of the River. The River has never been traversed and it will be impossible to issue the patent until a traverse is made. In the adjoining quarter section similar conditions prevail with the exception that the homesteader has been allowed to enter for the full quarter section, both North and South of the River.

Mr. Williamson's application has not been approved by yourself owing to the fact that you were in doubt if the man occupying the SW 1/4 was more entitled to that portion South of the River in order that he could reach the River, than the homesteader would be to both sides of the River.

I have no dubt he would be able to make good use of the portion South of the River. Notwithstanding this fact, Mr. Williamson, in my opinion should possess the full quarter section as the River has not been traversed and will not likely be now that this question of sides of a River has been done away with.

I think Mr. Williamson should have the full quarter section.

Sir,

Referring to your letter of the 16th ult. last, Ref. 23617, covering the application of Charles R. William-son for homestead entry for that part of the N.W.¼ of section 4, township 11, range 14 west fourth meridian lying north of the Belly River, I am directed to say that it is not likely that this portion of the river will be traversed and it will not be necessary to include the portion of the fractional section south of the river in Mr. William-son's patent homestead. A patent will therefore be issued in his favour for the full quarter section. Please amend your records accordingly as the land is available, and report your action in the matter.

Minister of the Interior Branch,

Ottawa,

Honoured Sir:-

I the undersigned, wished to take up the N.W.¼ Sec. 22-55-20, and now I hear that Mr. Johann Saurpert has had this Quarter reserved for his son. I do not think that it is right that a youth who has not reached the lawful age, should be able to take a farm away from an older married man. That the youth is not yet old enough (he will be 17 years old this year) to take up a farm this year, the Government will best find out if he (the youth) is forced to produce his certificate of birth (he was born in Russia).

Hoping for a speedy reply,

Very respectfully yours,

(Sgd.) E Kröning.

P.S. So far as I know young Saurpert has a certificate of birth.

Sir:-

I beg to refer you to my letter dated May 23rd, 1919, File 3460 R.S., in connection with the reservation of lands in the Lesser Slave district, and to advise you that reservations placed against homesteaded lands will not affect any rights which the entrant was entitled to at the time of entry, but in case of cancellation or abandonment, that said lands will revert to the Reclamation Service. Dear Sir,

When in Ottawa I spoke to you about which A.J.Mahon wishes to purchase on the Belly River, and on my return home he has written me making application for the land I spoke to you about.

The land in question is that part of section 17 Township 10 Range 16 W.4th M. lying East of the Belly River, and that part of section 18 in same Township East of the Belly River.

Mr.Mahon has asked me to reply to his application and as the matter is quite urgent I write to know as early as possible what the Department of Lands is willing to do as he is anxious to commence constructing an Irrigation Ditch if the land is sold to him.

I understand that part of this land is now included in the stock raising reserve, and I trust you will be able to allow Mr.Mahon to purchase the land which he desires.

Sir: Re File 615812 on application by Mr.A.J.McLean to purchase certain lands:

Mr. McLean's application was to purchase all that part of section 19 lying East of the Belly River in Township 10 Range 16 West of the 4th M., and all that part of section 18 lying West of the Belly River in Township 10 Range 16 West of the 4th M.,and your letter of the 2nd August to our Mr.McKenzie wrongly refers to the application and lands.

It is very important to Mr.McLean that this matter be carefully looked into, and that his application to purchase be made absolutely correct. He is not seeking to homestead, but applying to purchase, and made his application in regular form several months ago, and is ready to make immediate payment for the lands the moment his application is granted, and we have understood the only thing causing delay was the waiting on Mr.Burley's report respecting the stock watering reservation.

Mr.McLean's application was first made sometime in March, but was formally made in the form of a statutory declaration forwarded by us to Mr. A. J. Fraser, Agent of Dominion Lands at Lethbridge, on the 22nd day of May in which the lands are correctly described as follows:

"That part lying West of the Belly River of section 18 in Township 10
"Range 16 West of the 4th M.,and that part lying East of the Belly
"River of section 19 in Township 10 Range 16 West of the 4th M."

Will you kindly make further examination of the matter, and advise us.

Dear Sir Turriff.

Just another case of troubling you. Last spring I applied on behalf of A. J. McLean to purchase all of sec 19-10-16 W4. lying east of Belly River and all Sec 18-10-16 W4. lying west of river, and at the time of application part of the land was a water reserve. McLean has been in repeatedly of late to see me about this land for as the weather is so fine he wants to construct an irrigation ditch this fall if he is to be allowed to purchase. I understand there is no object in reserving any of this land for stock watering and there can no doubt Burley so reported. I thought when we came to settle for the land in dispute between McLean and myself there was no objection to his having the land & worked he very much obliged if you would have me advised to that effect.

Dear Sir,--

Referring to yours of the 21st November last. I have been holding your letter to reply to as I have been expecting Mr A. J. McLean in from the West any day. He turned up yesterday and I have gone into the matter with him again. He states that he is anxious to secure,--

E. 1/2 19 East of river, 5 - 10 - 15 West 4th.
N. W. 1/4 7 - 10 - 15 West 4th.
W. 1/2 18 - 10 - 15 West 4th.

I note your remarks that he had better make an application to secure these lands. If you would kindly send the necessary forms I will have them filled out and return to you as early a date as possible. Mr McLean states that there should be something on the Department's files showing that he has already been in communication through Mr M. McKenzie of Haltain and McKenzie which with reference to these lands. Would you please examine and see the exact position as from your letter it looks as if nothing has been done, and also that nothing is on file with the Department.

Memo. - Mr. Campbell,

The letters underneath to A.M. Stoward Mr. McKenzie do not state the case correctly as to Sections 18 and 19.

The C. & E. Railway Company have applied for Sections 18 and 19 West of the River and the same are being reported clear and available. Though these lands have been offered to them with other lands in 10, 16 and 11,16, 10, 17 and 11, 17 to form a block for irrigation they are not within the Company's land grant.

File 629291 which is apparently lost contains an application from one McKenzie of McLeod or behalf of one McLean, dated 29th April, 1901, to purchase parts of Sections 18 and 19 Tp.11 Rge.1[illegible] West of 4th under irrigation regulations. The C. & E, Ry Company applied for all of this Township West of the Belly River with other lands as part of their land grant in connection with their irrigation scheme.

To clear up this land a letter might be written to Mr. Dennis ~~Commissioner~~ Deputy Commissioner of Public Works Regina, to ascertain if McKenzie or McLean propose to go with their irrigation scheme.

Memorandum.

The Agent at Lethbridge submits the application of Mr. B. F. Bingham to purchase the N. W. ¼ of 12--5--14, W. 4th, in which application it is stated that he (Bingham) is a farmer and requires the land in order to cultivate and farm the same, and that he resides upon and intends homesteading as soon as it comes into the market the N. E. ¼ of 14 in the same township; alsothat he has not heretofore purchased Dominion Lands.

This land is vacant in the records of the Department, but the Surveyor-General reports that no regular survey of the township has been made. He, however, states that the subdivision of the township will be included in a contract to be given out this season; and, as an outline survey has been made, I think Mr. Bingham might be allowed to purchase the quarter-section at the current rate and on the usual terms, subject to the regular survey being made.

Department of the Interior.

Ottawa, 24th October, 1906.

Memorandum:-

I beg to return the Minister's memorandum to you of the 19th instant, respecting Mr. Ivan Kutt's application for the N.E.¼ of section 27, township 56, range 20, west 4th meridian, which was patented to the Canadian Pacific Railway Company on the 27th February, 1902. I observe that the Minister states that the C.P.R. Company should be asked to effect an exchange; and that it is stated in the Minister's memorandum that three quarters of the same section have been entered for by other persons; and that Mr. Kutt thought the N.E.¼ was also available. The records show that the N.E.¼ was patented, as above stated, to the C.P.R. Company, and the N.W.¼ has been entered for as a homestead by Gregor Leeward, no entries having been made for the S.½ of the said section.

There is on file 629672 a letter, dated the 17th August, 1905, from Nicolai Kut in which he says he was advised by his father, who holds the next quarter section, to homestead the N.E.¼ of the said section 27, and that he had built a house and stable on it and had seven acres under cultivation. By letter of the 2nd September following he was advised that the land had been patented to the C.P.R. Company; and that the land Commissioner of the Company had been asked by letter of the 18th July, 1905, in

J.W. Greenway, Esq.,

Commissioner of Dominion Lands.

in connection with a previous application which had been made on behalf of Mr. Kut, if his Company would relinquish its claim to the said quarter section in order that Mr. Kut might be granted homestead entry therefor, and that as no reply had been received from the Land Commissioner the latter would be asked to advise the Department at his earliest convenience of the decision arrived at in the matter. A copy of the Departmental letter to Mr. Kut was sent to the Land Commissioner of the C.P.R.Company, but no reply thereto has as yet been received.

The Land Commissioner of the C.P.R.Company is now being asked to advise the Department of his Company's decision in the matter.

It will be observed that the name of the applicant for entry as given in the Minister's memorandum is "Ivan Kutt", while the application previously made for this quarter section was made by "Nicolai Kut".

Exchange Account.

The Western Canada Land Company Limited acquired a large tract of land which had been patented to the Canadian Pacific Railway Company in which tract three quarter sections, aggregating 462.10 acres, were found to be occupied and in order that the squatters thereon might obtain entries it was arranged that the land company reconvey to the Crown these three quarter sections and select other parcels in lieu thereof, and it was also decided that the company might exercise their right of selection so as to enable them to acquire title to dried up areas in quarter sections where they hold title to the balance of the quarter sections.

The Western Canada Land Company Limited have assigned all their rights and interests to the British Dominions Land Settlement Corporation Limited and the latter have selected on account of the 462.10 acres credited to them that part of the S.E.¼ of Section 35, Township 50, Range 28, West of the 4th Meridian, formerly covered by water, containing 32.50 acres, they being the registered owners of the balance of the quarter section, which was originally patented, both surface and under rights, to the Canadian Pacific Railway Company in 1901 and it is proposed to issue patent for this parcel of 32.50 acres to the Corporation charging that area against their credit of 462.10 acres.

As the land company revested both the surface and under rights of the lands surrendered and as the British Dominions Land Corporation Limited have acquired the balance of the S.E.¼ of Section 35, Township 50, Range 28, West of the 4th Meridian, originally patented, as above stated, to the Canadian Pacific Railway Company including the other rights, I beg to recommend that the patent for this parcel of 30.32 acres be issued on the same form as the patent issu

Dear Sir:

Re: N. E. ¼ 27 - 56 - 20 W. 4th Mer.

The above quarter section was patented to the Canadian Pacific Railway, including minerals, and then revested. Later a new patent was issued for the surface. These transactions took place before the transfer of the resources to the Province. Thus I believe you should have a Duplicate Certificate of Title covering the minerals under the above land, which should have been transferred to this Department under the Natural Resources Agreement.

Would you kindly forward to this office the Duplicate Certificate of Title.

Sir:

Re: Mineral Rights
N.T.L. 27-56-20-W. 4th Mer.

I beg to thank you for the information which you conveyed in your letter of the 17th instant regarding the above.

Through this information I have been successful in locating the Duplicate Certificate of Title No. [illegible] V. 11, Interior No. 156. This title could not be found in this Department and the records of the Land Titles Office were searched, where it was discovered that this Duplicate Certificate of Title had been inadvertently cancelled in full, and filed away.

I have made the representations to the Registrar, who will now cancel the minerals from this Duplicate Certificate of Title by virtue of Order-in-Council P.C. [illegible]37, and issue a new Duplicate Certificate of Title in the name of the Province.

Yours very truly,

T. M. Tweedie,
Supt., Technical Division.

The Minister of the Interior states, under date the 15th July 1910, that Jules Moret made homestead entry on the 16th of June 1904, for the South West quarter of Section 24, Township 50, Range 23, West of the fourth Meridian, and has since made application for patent, showing that he has performed the required residence and has nine acres under cultivation with a house and other improvements worth One hundred and fifty one dollars.

The Minister further states that it appears that Mr. Moret was not entitled to take a second free homestead, having already secured free patent for another quarter section in Manitoba.

The Minister recommends, under the circumstances, that authority be given, under the provisions of Section thirty two, of the Dominion Lands Act, for the sale of the quarter section above mentioned to the entrant, at the rate of Five dollars per acre, payable one fourth in cash and the rest under in three equal annual instalments with interest at five per cent per annum.

The Committee submit the same for approval.

Clerk of the Privy Council.

The Honourable

The Minister of the Interior.

The Deputy Minister

Ottawa, 5th June, 1925.

Memorandum:

M. G. Coté, Esq., I.S.O.,
Controller.

Re Unpatented portion of the S.E.¼ of Sec. 31-50-11-W. 4th Mer.
Area - 49.90 acres.

In accordance with the decision, [illegible] was approved by the Acting Deputy Minister on my memorandum of the 11th May, 1925, dated, Mr. Joseph Ayers was advised that he would be granted supplementary letters patent for the above-described land, provided he could have filed some evidence of ownership of the unpatented portion of the said Twenty section which was patented in June, 1880, in his name as a homestead.

Mr. Ayers has filed [illegible] an abstract of title to the said unpatented portion, [illegible] Ayers's name (Arabella Ayers) and a declaration setting forth his desire to have title for the unpatented portion issued in her name.

He was advised that unless the said patented portion was re-transferred to his own name, Mr. [illegible] would be required to pay [illegible] at a rate to be determined after investigation by the Department.

Nothing further was heard from Mr. Ayers and Mr. D. Cameron in the matter of the [illegible] addressed to the Director of Colonization, Quebec, a copy of which is marked on file herewith, explaining the circumstances the Crediton of the said [illegible] and made application to purchase the unpatented portion at the balance at the rate per l.c. at a.m.

Mr. Cameron has filed here an abstract of title in support of his application [illegible] to the purchase of the said patented [illegible] quarter section.

An inspector was instructed to report on the application from a personal consideration of the value of the land after making allowance for the applicant's [illegible] operations.

His report has now come to hand and states:
"Mr. Cameron's contentions as claims in his letter "of the 30th of Oct. last are correct, as to the fact of "residence [illegible] by him on Lot No. 7 being the cause of "[illegible] Mr. on the [illegible] it becomes [illegible] and "[illegible] it up to its present value. The same [illegible]

"on these drained off lands the black soil is shallow
"and not of good quality on this Pr. My valuation on same

"it has cost Cameron ten dollars or over per acre to drain
"off Lake No. 7 which benifited and made the Pr. applied
"for of equal val. to that under Lake No. 7, and that
"the portion since drained is worth at least thirteen
"dollars per acre. I am therefore of the opinion
"Mr. Cameron should be allowed to purchase this land and
"a fair price for him to pay for same at this date is
"three dollars per acre (3.00) this will allow him
"10.00 per acre for drainage. I do not agree with
"the contentions in the letter referred to above, that
"Mr. should get this Pr. at one dollar per acre, and after
"talking the matter over with him at [illegible] I arrived
"at these views and explained the conditions as they
"stood, he was satisfied to pay the (3.00) per acre
"if the Dept. desired to sell to him."

It might be noted from the Commissioner's memorandum, above, that this is not a case to be dealt with under the homestead provisions.

Under the circumstances, there appears to be no objection to granting the sale to Mr. Cameron of the portion of the Lot as per Surveyor's plan containing 49.9 acres at the Inspector's valuation of $3.00 per acre.

Sale of unpatented part of S.½ S.½ 24-49.90 acres, at $3.00 per acre, recommended

Referring to your letter of the 17th inst Files. 129808-629684 advising Mr, George. S. Frizzell that if the arrangement allowing him to exchange entries with his brother W.S. Frizzell was cancelled on the 14th of June last H.O. Files.- 620648-629684. subsequently he filed the enclosed --- letter, and re-entry for the SW. Sec. 6-42-27-W-4th-M. was granted Mr, H.L. Sir,

I would like to purchase from the Government the quarter north of mine forming along with my homestead the S. ½ of Section 8. 53. 26 W of 4th Meridian. My homestead is a fringe of high land along the edge of a Tamarac Swamp. This high land is divided into 9 pieces by the swamp and 6 small swampy creeks which run into it. These pieces contain altogether about 75 acres. From the shortness of the seasons here and the uncertainty of being able to do fall plowing 20 acres of this must be summer fallowed every year. Now take off from the balance 8 acres for buildings &c. and that leaves 47 acres to be cropped. As the land round here is of first-class quality I am well enough satisfied as far as that is concerned but I have got no pasture. At present I have a neighbour who lets me have the use of his as there is no open pasture round here. I was thinking of draining a piece of that swamp north of me and converting it into a pasture if I could only buy it from the Government on half reasonable terms. Hoping that you, Sir, will give this application your favourable consideration

I am, Sir,
Yours Sincerely,
Frank Watt Nicolson.

Sir,

With regard to that quarter of land namely the N½ of the S½ of 8. 53. 26 West of the 4th Meridian which I wrote about before. I would be quite willing to pay $160 for the same $40 on the 1st of Dec. and the balance in payments of $40 each with 6 per cent interest. This quarter is absolutely no good for growing crops. There is no timber of any value on it. The only person it is of any value to is me. I need it for growing hay and for pasture. As can be seen from the map this piece is a tamarac swamp but the tamaracs have all been cut off by the farmers round for posts and rails. In the swamp are small ridges on which hay could be grown. It is for these I wish it. Hoping for a favourable reply

Ref. C29954.

Ottawa, 3rd September, 1901.

Memorandum:

Last April Mr. Frank Watt Nicolson, who has homestead on the S.½ of S.½ of 8-53-26 W4M., applied to purchase, at $1 an acre, the N.½ of the S.½ of the same section. The land is clear in the records here, and the sale is recommended by the Agent.

Mr. Nicolson, in his letter of the 25th April last, which I would ask you to peruse, sets forth certain facts to show why he thinks the land should be sold at $1 an acre.

I would recommend that, in view of your recent ruling regarding even numbered sections, and the land being but a few miles from Lacombe, Mr. Nicolson be told that he can acquire the land at $3 an acre, as his application was made last spring; that even numbered sections are not now sold, but are being retained for homesteading; and that the land can be paid for in cash which can later on be purchased at a discount. The first payment could be made by the 1st November, with interest at 5% per annum, one per cent lower than Mr. Nicolson offers, in his letter of the 25th July.

As Mr. Nicolson applied for this land on the 20th April last he may be advised that he may acquire it at $3.00 per acre. Sir

I would be greatly obliged if I could receive permission from the Department to stay away from my homestead S½ 8-5-3-26- from now until the 1st of March 1902. Last winter I put up a small frame shack in which I stayed. After I finished my breaking I went to work out first with Big Pete Campbell and then with J Little & Co Last Friday having finished with the latter I returned home to find the shack broken down & everything worth stealing stolen & the balance scattered over the prairie. Who did it why it was done I don't know. I sent in word to the N. W. M. Police but I think the safest way of getting the stuff back is to work out & buy a new outfit. By the 1st of March I think I'll be in a position to go on to it and stay with it

hoping this request will be favorably considered.

Dear Madam,

I have your letter, undated, with reference to your son, who settled on land near Lacombe, Alberta.

Your account of what has taken place leads me to believe that all the facts cannot be known to you, as I am satisfied that no injustice is done to new settlers by the Government, but, on the contrary, every assistance and consideration is shewn to workers who try and make a home for themselves under adverse circumstances.

I must tell you that the question of timber - and it appears that there is where the trouble has arisen - is an important one on the prairie, as there is not too much of it, and the law is that a settler must not take up a homestead on which there is more than 20 acres of timber, the reason for this being to protect those who have no timber on their grants, to prevent the timber in one particular locality being in ...nds possibly of one or two individuals. If your son ...dispossessed on this account you may be sure that ...t will be given to him without further charge, and ... he must have known that he could not properly ... Section he took up if it was covered with more ... the area I have mentioned. This, however, is

22791

merely my conjecture, and I am sending out your letter to the Department of the Interior at Ottawa, who will instruct the official Land Inspector of the district to report upon this particular case, and see that your son is fairly dealt with.

Kent,

Sir,

Not knowing who to ask for advice but you I hope I shall not take a liberty in writing to you, asking you if you could do any good for me as I am in great trouble about my son. 12 months last May my boy started from here for Alberta, and took up a ¼ Section, or his Uncle did for him, 12th Section, Mr. Lacombe, and which has cost us quite £60 with starting him off which for a poor man is a long while saving, and if all went well and he liked we were saving to go out to him, and of course in this little time he has not been able to make much progress. He put his wooden house up and lived on it since, also done his road-making according to regulations and paid school tax, cleared 10 acres of ground for breaking, cut down some poles for fencing, and this summer we sent £10 for to break it, but he sent word that he was waiting for one thing; it was a job to get anybody to come just then to do a little amount and another thing he had heard that Government was going to take it away from him on account of the timber, so he stopped from doing it just then. 1th August he wrote to say he was in great trouble, he did not know what to do for he had a letter on the Friday from Government to say that there was too much timber on his ground and he was to get off in 60 days. Now is that just and fair to anybody trying to get along after wasting all that money, and his wages

that he has lost while he has been out there, and told him he could take up another ¼ Section by paying the fee again. Can such things be done like that to poor people; the boy has no where to go, we have unfortunately let other people have some money to get on and now we cannot get it back, but I cannot understand it for of course the ground was open to take up before he had it, they knew what timber was on. I feel there is something behind, perhaps they have had an offer for it as he says they are taking up the ground all round. I think it is very hard when you have worked hard for what you have saved, and what has took years to save, and now to lose it. If you can do anything in it will you kindly do so? I have wrote to him and told to wait and see what can he done in it as I thought they gave you three years to do so so much in, and he has only just got used to the country. I must apologise for taking up your time, but I don't know what else to do in the matter. If you will kindly reply.

I remain,

Yours obediently,

(Sgd.) Luck Bligh.

There is plenty of time this season for him to have the 10 acres broke if they will give him a chance to do it, they have not given him a chance, and if it is for the timber can they take it from him after him taking it up like that the same as anybody else would? Our Master says he will see what can be done but I thought I could explain it to you to see if you can help him in having justice as he is by himself out there; if you can do anything to help I shall be truly grateful to you.

Sir,

I beg to transmit herewith a copy of a letter that has reached me from Mrs. Lucy Bligh, of Bromley, Kent, in reference to her son who settled near Lacombe, and who, it appears, is to be dispossessed of the ¼ Section upon which he settled some time last year. I also enclose a copy of my reply.

I shall be glad if you will kindly have the circumstances enquired into, and let me hear from you in due course in order that I may communicate the true position of matters to Mrs. Bligh. I am quite certain, as I have assured Mrs. Bligh, that every consideration will be shewn to her son.

Dear Sir,-

I beg to acknowledge the receipt of your letter of the 1st instant, enclosing a copy of one from Mrs. Lucy Flick in regard to the cancellation proceedings recently carried out against her claim [illegible]. In reply, I am to advise you that the Commissioner has carefully considered Mrs. Flick's representations and has decided that a special case in this matter can be recommended to the Minister for submission to Council, with a view to the issue of a patent for the land. It is pointed out, however, that the Department is not prepared to grant this privilege in every case, but only where it is clearly established that the entry was cancelled on account of some error or irregularity in the proceedings, and that the claimant has complied with the law in all respects.

Sir,-

I beg to acknowledge the receipt of your letter of the 2nd of April last and in reply may say it would appear that you secured homestead entry for the South East quarter of Section 18, Township 49, Range 22, West of the 4th Meridian, on the 25th April, 1903, and that you secured a patent for the quarter section on the 13th June, 1904.

The privilege of a second free homestead is extended to those settlers only who fully completed the duties required in connection with their first homesteads on or before the 2nd June, 1889, and unless you fulfilled the requirements in connection with your first homestead prior to that date you are not entitled to take up another free homestead. This is a statutory provision of the Dominion Lands Act and the Department has no discretionary powers in the matter.

The pre-emption and purchased homestead privilege was discontinued from and after the 20th March last. The Department has no lands for sale at the present time excepting fractional areas of eighty acres or less which may be sold to the holders or owners of the land adjoining at a Homestead Inspector's valuation.

Sir,-

S.E. ¼ of Sec. 18 Tp. 49 Rge. 22 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:-

I am writing you an request of an extension of time on my homestead. My time will be up about the middle of May, and under the circumstances I am handicapped in going on and in my investigations, the reasons are, I was out of work at Calgary so I thought I would come out here and see what I have been sick so have not a right to many. I expected I was a good job here at $2.50 per day now, so I think it would be very beneficial to me to stay here six months and earn some money, i.e. what I would go on the homestead I could get along with out leaving it. So I will ask you to extend my time I have let the job of building a house and expect it is nearly complete.

Please oblige,

Yours truly,
(Sgd.) F. P. Parker.

P.S. Please tell me what to any person wanting to cancel my entry, will have to notify me and if so what notice would they have to give or would the post notice on the homestead. Hoping to get an early reply,

Sir:-

I received your reply and assessment paper. Also I got a letter from a friend that I hired to do my improvements on my homestead stating that the last two loads had completed and have logs cut for the stable. Will you please explain to me whether in case of cancellation if I could collect any thing for what I have done on the homestead. I understand that I have sixty days after the 1st of May in which to cancel. I am not sure if there is any possible way for me to retain my title open, for I cannot afford to lose what I have now as it is a great disadvantage to me to go on it just after the, as I do not understand things. I have no feed put up for a cattle and will have to buy them feed as I did last winter and then realize very little else that I could do. So you see it would be very hard against me to pay for feed, my cattle & to return myself and I could stay here if I could save every fifty dollars I could which would help me a great deal. Please kindly consider this & if you see there is any way you can help me let me know. If not I think I will try & go out from here.

Yours truly,

Sir,

Replying to yours of the 25th ultimo, I am directed to say that the Department cannot hold the money which you forwarded, as in any case it should have been paid to the Local Agent of Dominion Lands, and I therefore enclose you herewith, cheque, No. 1053, for $12.00, being a refund of the amount offered by you as entry fees for the S. W. ¼ [illegible] W. 5th M., which land is not open for entry. It was stated in error in the Departmental letter of the 6th ultimo that the land was comprised in Mr. McLaron's lease. The reason why the land is not open for entry is that it is not yet sufficiently surveyed. You may, however, make entry for the Local Agent or Sub-Agent for that part of the S. W. ¼ [illegible] W. 5th M. lying South and West of Old Man's River, provided the land is not occupied and the Local Agent knows of no reason to the contrary, but the patent would not be issued until the survey had been completed.

Sir:-

I beg to enclose a letter from Carl Ransemer of Pincher Creek in which he says that he applied for homestead entry on the N.E. 1/4 of 36-7-2-5 at the time the land was open for homestead entry. He was afterwards informed by the Land Agent at Lethbridge that he could not be entered for as an application for mining rights had been made. Now Ransemer says that Donald McLeod offered to sell him the homestead right at $3.00 an acre. Ransemer believes that there is an organization of prospectors in the vicinity of Blairmore who are abusing their privelege to the detriment of homesteaders. I would suggest your inquiry into this matter to find out whether Donald McLeod has any prospectors rights to the quarter in question and generally break up the combination if it exists. Incidentally I would like to see Ransemer get the homestead that he desires.

Yours respectfully,

Frank Oliver

Department of the Interior,

Ottawa, 7th May, 1901.

Memorandum.

The transactions referred to in Mr. Frank Oliver's letter of the12th March last are contained in T.M.file 91789/sent herewith.

The N.E. 1/4 30--7--2, W. 5th M.,was applied for by M. Vanbueren Holway on the 26th September, 1900. Some correspondence ensued to ascertain whether the land was available, and whether the rights of other parties in any way affected it, and finally on the 19th March,190[illegible], Holway was given 30 days within which to acquire the land. This permission on the 30th April last was extended to the 15th August next.

Carl Hansemer's application was submitted here by the Agent on the 26th December, 190[illegible], but he was in the course of correspondence informed by yourself that the claim of Holway took priority over his own.

Mr Hansemer feels himself hardly used apparently, because the land was shewn to be vacant to the Sub-Agent when he applied for it, and he claims that he has been put to much expense thereby.

Donald McLeod has no right to the land, and his offer to sell the homestead right at $[illegible] an acre is therefore not understood.

Respectfully submitted,

T. McRoy Dixon

Sir,

Referring to your letter of the 12th March last written on behalf of Carl Bansemer who desires to homestead the N.E. 1/4 36--7--2, W. 5th M., I beg to inform you that the Commissioner has again had before him the papers relating to this matter. The evidence clearly shews that Mr. W.Vanburen Holway was the first applicant for this land, and it was for this reason that Bansemer's application was refused. It is possible, however, that Holway merely requires the mining rights and would be willing to forego the surface rights, and if such be the case Mr. Bansemer's wish might yet be gratified. A letter is being this day addressed to Mr. M.McKenzie, Barrister, of Macleod, who has been acting for Mr. Holway, placing the facts before him and asking whether his client would consent to Bansemer being granted a homestead on the quarter-section. The result of the enquiry will in due course be communicated to you. I am to add that Mr. McLeod has no connection with the land.

Sir,

Referring to the correspondence that has passed with regard to the N.E.1/4 36--7--2, W. 5th M., which your client, Mr. W.Vanburen Kelway, has been permitted to purchase, I beg to enquire whether it is his intention to secure the surface rights as well as the mining privileges. There is an application from one Carl Sangster for permission to homestead the quarter-section now before the Department, and he feels greatly disappointed that in consequence of Mr. Kelway's priority his request was refused. It has occurred to the Commissioner that the matter might be arranged to meet his views if your client waives his right to the surface, and I shall be glad if you will let me hear from you on the subject.

OTTAWA. 7th December, 1927.

MEMORANDUM.

Mr. Hume:

S.E.¼ 31-8-2-W.5th M.
Homestead - James T. Walters.
Obtained entry 16th August, 1921.
No cancellation proceedings outstanding.

On the 17th February last the Acting Deputy Minister stated that no final action towards cancelling this entry was to be taken until his office was consulted.

This man made application for patent on the 17th June last claiming sufficient residence on purchased land, the North East quarter of Section 36, Township 7, Range 2, West of the 5th Meridian, from date of entry. He also claimed sufficient stock kept on the land for summer grazing; one mile of fencing, value $100.00, and accommodation for stock on the purchased land.

On the 24th August, 1926, Inspector Wilcox stated:-

"I did not accept Mr. Walters' application "for patent as I do not consider that he has com- "pleted his residence duties. Mr. Walters is the "Postmaster at Lundbreck, also carries the mail. "His wife tends to the Post Office most of the "time.

"Mr. Walters has done the cultivation on "the N.E.36-7-2-W.5th M. himself and has been on "the land during seeding in the spring and harvest- "ing in the fall. He said that he has not slept "on the land continuous for six months in any year. "would sleep on the land for a few nights and then "would be away for a few nights. When he first "obtained this land he lived on it all of the time "but owing to the dry seasons he had to do some- "thing else to make a living. Was offered the "Post Office and accepted the position and still "held his farm and has operated the two ever since "and then he obtained homestead entry on S.E.31-8- "2-W.5th M. and bought stock to stock same, think- "ing he could prove up under the Stock Clause of "the Regulations. He sold his stock this spring "because it stayed dry for so long that he was "afraid of another 1919, this is his reason for "selling his stock."

In view of this report and the claim of the applicant as to residence performed in the vicinity the Agent was requested to have an Inspector again visit the land and report fully.

Inspector Wilcox in report of the 25th August last credited the entrant with sufficient fencing, stock and stabling and in his general remarks stated:-

"The stock clause of the homestead
"have been complied with as the land is all
"enclosed with a good fence and stabling
"accommodation for the required number of
"stock. I still maintain that Mr. Walters
"has not completed his residence duties as
"he has not resided on his purchased land
"continuous for six months. His residence
"has been on his purchased land, N.E.36-7-2-
"W.5th M. a few nights on the land and then i-
"Lundbreck, as I said in my report of the 2[illegible]
"August, 1926, and Mr. Walters still says that
"he has not resided on said land for six months
"continuous at any time, but he considers that
"he has completed his duties by working on the
"land from April to November in each year. I
"interviewed several residents of Lundbreck and
"they all told me the same thing, also the
"witnesses to his application for patent. One
"of his witnesses said that he has not seen Mr.
"Walters sleep on the land since his family moved
"off the purchased land in September, 1922, but
"that he has worked on the land from April to
"November.

"Mr. Crawford, the other witness, said
"that he has seen him sleeping on the land some
"of the time but not continuous.

"I am satisfied that Mr. Walters has
"done his seeding in the spring, summerfallowing
"and haying in the summer and harvesting in the
"fall and I think this is a case that might be
"given special consideration as he has been doing
"the best he could under the circumstances and has
"been working hard to support his family."

In view of the Inspector's report the Commissioner gave instructions to communicate with the entrant, pointing out that according to a report he has not performed any residence which could be counted to his credit and request a statement of his intentions in the matter.

Mr. Walters now writes the Department under date of the 21st ultimo as follows:-

"Replying to your letter re the home-
"stead I may say that I have done my best, owing
"to conditions, since returning from Overseas,

"The dry years have caused many crop failures
"and we took over the Lundbreck Post Office, my wife
"running same, so as not to interfere with farm work.

"I have not slept every night on the N.E.¼ 36,
"Tp.7, Rge.2, W.5th M., but have been working the
"place daily from April to November, sleeping part
"of the time each year.

"This year I have slept on the place two months
"continuously and have slept off and on of this place
"since 1922 and cannot guarantee to do any more than
"this in future as the homestead is absolutely useless
"for agricultural purposes, being only a huge hill, fit
"only for grazing.

"This I think will answer satisfactorily all
"you have asked and you must see it is impossible to
"give up the Post Office if I am to educate my family.

"Kindly forward papers (receipts, etc..) from
"S.S.B. belonging to me as soon as convenient."

It would appear that it is not Mr. Walters' intention to perform the required residence duties and I would recommend a sale to him at $1.00 per acre in lieu of residence, thus exhausting his homestead right.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one person claiming the prior right of entry under the preceding section, the priority of such claims shall be determined by the priority of the dates of their prospective entries or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if tendered in due time, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants cannot be present in person in due time, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board:

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been duly entered for by an adjoining settler on the last day on which such land became open for entry, or if it has been withdrawn for any of the reasons hereinbefore mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Tp. 1, Rge. 27, W.4th Mer.,

E.½ 24(E.of R.) - Area 119.9 acres.
Area "A".

In a letter dated the 15th May last a Mr. A.P. Wiggil enquired if he might obtain the above described land as a homestead as he had never had one and would make a home thereon. He was informed that it was at present reserved in connection with an application to lease, but should it be decided at some future date to make the land available for settlement he would be advised.

The application to lease has now been cancelled and in connection therewith an Inspector in a report dated the 13th May last states as follows;-

"I would recommend that if Mr. Wiggill "makes application for homestead entry that "he be favourably considered, if not as a home- "stead, that he should be granted a lease on "same for if it is leased to anyone else it will "close him out from the water and his well does "not furnish water enough for his stock or "culinary purposes.

"This land is clay loam and at least 30 "acres could be broken and cropped, as Mr. Wiggil "owns the N.½ of 18-1-28, which corners on the "land in question, it could be homesteaded by him.

"Inspected 13th May, 1924.

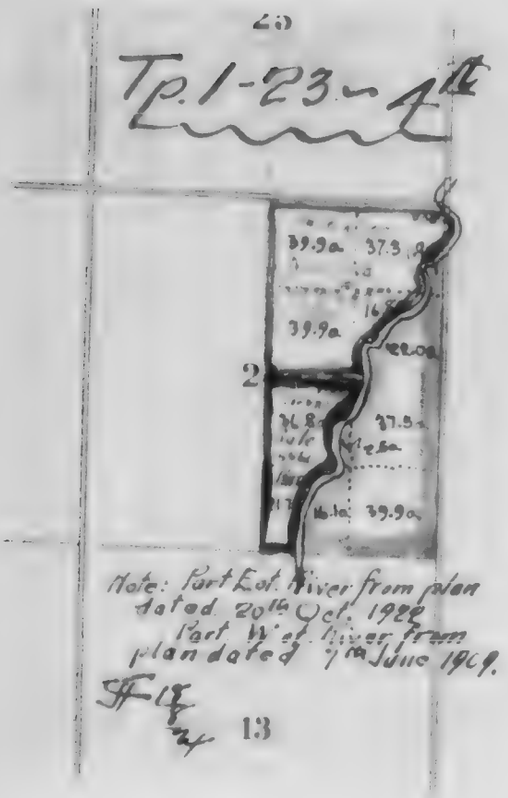

(sgd) D.E. Wilcox.
Homestead Inspector.

The land is reported clear by the various Branches and that portion of it west of river is patented. (see sketch attached).

-- Thbugh --

Though this fractional half section is in Area "A" you may consider that in view of the Inspector's report the Agent should be instructed to post for settlement and to advise Mr. Wiggil and any others who may have made enquiries of the date upon which it will become available.

Re: Account of William Andrew Campbell
S.W. 10-12-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $170.70 were advanced to William Andrew Campbell on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 170.70	$ 315.91	$ 486.61

Order-in-Council P.C. # 55/309 dated the 21st of March 1929, authorized that the S.W. 10-12-9-W4 be released as security for the liens and the indebtedness to be held against the lienee under his personal covenant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the liens are no longer registered against the land and there is no further security, it is recommended that the indebtedness be cancelled.

Dear Sir

In the 2nd Dec.r last I filed out an application for homestead & preemption for the S.E quarter Sec 32 & the S.W qua Sec 33 in township Range 2 and sent it in along with others from Pincher Creek stamped to before Wm. Garnett J.P. Sam Garnett. Res lives with their permission. Commenced mining improvements in March 1883 and have lived on it continuously since Dec.r 1883, have 25 acres broke and under crop, last week I heard in Pincher Creek that A.W. Jarvis had made application for same homestead and preemption & finds he has no claim on it as I can prove. Will you please let me know, such is the case and if not is there any chance of getting title to land.

I understand that one of the Ranger Sandfants will cover a homestead and preemption on leased land at the pleasure of the lease holder. Will you please let me know and oblige

Yours respectfully

Dear Sir

I see it has missed permission from the Garnett Bros to forward it to you as you requested me to do when you were at McLeod.

My buildings are on the South East 1/4 Sec 33 and part of my plowing is on the North half of West 1/2 Sec 28 Tp 6 Range 2 West of 5th principal meridian so I think it will be alright for my homestead.

Mr Garnett tells me that they cannot allow me permission for a pre-emption so I suppose I will have to drop that

Hoping that you will do all you can for me in regard to the Homestead

To the Honorable Thomas White
Minister of the Interior
Ottawa

Dear Sir

I write you in behalf of a nephew of mine D.A. Blain a Virginia boy who went out to the North-west with about the first of the Mounted Police to the N.W. Territories District Alberta at the expiration of his service he took up land along with two others viz young Wilson of Dundas and Jarvis of Toronto. This were both in the force somewhat later. At their expiration they all joined him, and has their 960 acres all in one block which turns out to be in township 6 Range 2 west of 5th Principal Meridian as surveyed by your late Surveyor C.E. Wolff D.L.S. It appears before he settled and did settlers duties which has been all done he tells me a surveyor named Armstrong in 82 or 1883 made return to this which they paid him for $20. since then I am informed they were putting their buildings and improvements on the

prairie

proper place - but by Wright's survey it is going to cut them all up, and what makes it worse than this he has bought both the other parties out and determined to stick to it so his improvements have cost him $2.000 which will be a good deal lost if he does not get his claim put right. Mr Wright said he would make the report at headquarters which he had no doubt would be made right, but my nephew wished me to write you to show his case more clearly which I have tried to do. I sent you a sketch of his claim, as he has sent to me. I suppose the lines cannot now be altered; can he not get the adjoining land to run a line similar to his? Probably this can be done but will write him and at more particulars soon as I hear from your Department.

I may mention I intended to have spoken to you at our meeting in Galt as my acquaintance with you dates back over 20 years to that of the old Spectator Hamilton but our arrangements were badly made that evening; they should have taken the larger rink with a good gallery which would have seated all the ladies, and 2000 people will not crowd it

the

the building but was overlooked, Still the crowd was not very unruly considering a large no of Grits got into the front seats.

Hoping things will come all right on the 28th

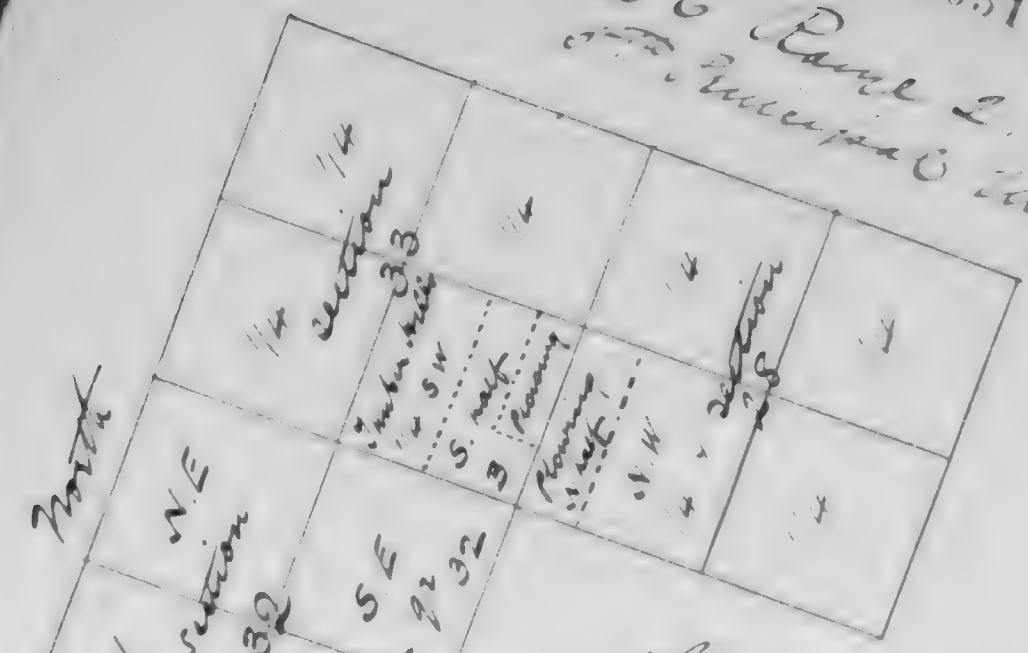

Yours very truly

Township 6 Range 2 west of 5th
Dist. Thereon & thereon

I claim the S.E. ¼ section 32 as homestead and the South half of the S.W. ¼ sec 33 and the North half of the N.W. ¼ sec 28 Township 6 Range 2 west of the 5th Principal meridian a pre-emption containing two full quarter sections. D. K. P. Armstrong made a improvement thereon to the value of $300.00 and I still claim it by virtue of such improvements. I now claim the same land, but this first claim was a connection made in C.S. Woods office. Which turns the line North & East. Which leads me building on the S.W. ¼ sec 33 and 12 acres plowing on the same and about 8 acres of pasture in N.W. ¼ 28 - Altogether I claim between 30 & 40 acres of land. I have my dwelling house on the N.W. ¼ sec 28 and my building stock on the S.W. ¼ sec 33. in order my dwelling house

The North half of Lot 2 of sec 33 is all hills with some timber in the corner unfit for agriculture - I still claim that I always have claimed but owing to error of D.L.S. Remsberg it now lays in part of three sections instead of two adjoining quarters.

Yours truly

PATENT BR.

Dear Sir

Your letter of the 10th inst
file No 631.202. I have just received and a-
m advised that I put myself in Communication
ith the Registrar at Calgary Alta
I have just noticed since mailing my letter
o the Registrar that in your circular of May
Honoured in your letter of the 10th inst reads thus
N 1/2 of Sec 28 and S of road but as regards
the plat of Sec 33 it reads S 1/2 S of Sec 33
that should read S 1/2 S of the N 1/2 of S
which would cut me out entirely
So I thought I would enquire of you if that
is only an error in the letter or in the plat
made out that way so it should be corrected
Will you please now & let me know

Yours Respectfully

P.C. Keyes, Esq.,
Secretary of the Interior.

Dear Sir,

I have just received from Calgary a letter stating that my former homestead viz: the S.W. 1/4 of 22-29-1 West 5th has been returned to me without cancel. For this act of courtesy on your part accept my thanks but I am not at all satisfied.

Will you be so good as to let me know why you did such an uncompromising and wilfully wrong act of taking the last homestead (namely S.E.1/4 of 12-30-2 West of 5th.) entirely out of my hands when I attended the land office at Calgary to file upon it? Kindly explain. I don't care either with pleasure I become or not, you know perfectly well that the cancellation has more than ensued, that I with all plenty of time to realize it, and that it was beyond your jurisdiction to take it out of my hands when, in law, the homestead has reverted to me.

I was almost positive that this homestead was the one I should not have abandoned my former one.XXXX

MEMORANDUM.

I have locked into the complaint of D. M. Hunter that he was not allowed homestead entry for the S. E. ¼ of section 12, Township 30, Range 2, West of the Fifth Meridian, and find the facts to be as follows:-

The land was the homestead of N. B. Smith and cancellation proceedings were instituted on the application of Gladeth Bastin, dated the 27th of March, 1903.

Hunter abandoned his own homestead ~~for~~ the S. W. ¼ of 22--29--1 W. 5th M. in the expectation of getting the S. E. ¼ of Section 12, apparently thinking that on account of its proximity to his father's land, he had the best right.

Smith was given every opportunity of performing his duties, but, finally on the 7th September, 1904, his entry was cancelled and the Agent proceeded to notify the applicants in the order of pricrity with the result that G. F. Bastin secured the land.

Hunter was re-instated in his former entry free of charge.

The only doubtful point I have discovered is that, on the 15th September last, the Agent gave Gladeth Bastin 20 days to make entryand that it was not until the 22nd November that G. F. Bastin secured the land. If these two names represent the same person, then it is evident the land was held for him beyond the 20 days.

W. W. Cory, Esq.,
Assistant Commissioner of Dominion Lands,
O t t a w a .

Respectfully submitted,
T. Fitz Roy Dixon.

Dear Sir

I am to day forwarding to the Secretary of the Department of the Interior a statutory declaration made by Kenneth Maclean in the matter of his Homestead to which I am a Witness.

K. Maclean wishes to obtain a Patent for his homestead and I am going to request you as a favour to give his case your personal consideration, and I trust you will see your way to grant him a Patent

K. Maclean has resided for more or less years and is now my Foreman, when not living on his homestead he has resided on my Ranche which is within five miles of it. he has employed a man to work on his homestead about six months in each year. He has expended over $1000.00 in Buildings and a considerable sum in fencing stock & cultivating & has also put in a crop each year

K. Maclean is an excellent settler & I hope you will consider him deserving a Patent. With kind regards

Yours truly

MEMORANDUM:-

Mr.A.H.Eckford, of the High River Horse Ranche, requests that his letter be brought to the personal attention of the Minister.

Mr.Eckford writes on behalf of Kenneth McLean who wants a patent for his homestead, the South West 1/4 of Section 22, Township 18, Range 2, West of the 5th Meridian.

According to Mr. McLean's statement, he lived upon the land for 31 days in 1903, for 119 days in 1904 and 45 days in 1905, the rest of the time being engaged as foreman on Mr.Eckford's ranche

It is evident that McLean has not performed the required duties and you will observe that Mr.Eckford himself states that McLean had a man on the land for six months in each of three years. He evidently supposes that this was sufficient.

Sir,

In reply to your letter of the 2nd instant, I am to say that the word 'vicinity' used in Plan 4 of the enclosed printed memo is usually taken to include all lands in the same township as the homestead or in an adjoining or cornering township. In your case, however, as you have purchased the N. E. 1 of 10, 45, 19, West 4th you may take advantage of the clause in question and perform the residence duties connected with your homestead, the N. By mistake or misreading of the Government Land Guide in Ponoka I was given the wrong number of the Land shewed me here last fall, consequently I filed on a altogether different piece of land not suitable for my purpose. The land shewed me as S.W. 14. T. 42. R 24. the land filed on by mistake is S.W. 14. T. 42. R 23. I desire S.E. of S.W 14 T 42. The third son I would like to have this Entry transfered, as soon as he find another suitable quarter. Mr. B. Davies,

Have just received letter from Mr. Orvill C. Tonoka., Alberta, (just from here) stating that there was a mistake in our filing there. We employed Mr. Cook Myers, Government Land Guide of Tonoka and he located us upon a corresponding quarter and section in a township east of the one we selected. That land proves to be nearly worthless.

Now we are nearly ready to start and wish to have council from you. Is there any way that we can get [illegible] filing money back.

The parties that that mistake effects are, Arthur Crown, Myron Crown, Jay Smith, Riley [illegible], William [illegible], and William [illegible] of Tonoka.

Sirs,

Will you please forward me information concerning 30 odd acres of NE corner of the NW¼ of Sec. 28, Township 54, West of the 4th Meridian. Before about 1931 my father now deceased, owned the NE¼ of Sec.28, Tp.54, W.of 4th M. There is a lake of the Vermilion River on the said ¼ of land. Before about Alberta bought the south part of the said land from my father. While my father was sick in the hospital in the month of May,1940,A.D. he spoke to me and said he would sign over his property to me. (I am now a private soldier in the Canadian Army in England).

While he spoke to me he said something about the said land not belonging to him, that he was having the use of it by paying the taxes on it.

Will you please inform me of the ownership of the said land.

Yours truly,

Dear Sir

2816781

I am writing you to see if I can get any information about the South East quarter section 12 Township 19 Range 3 west of the 5th meridian now held as a water Reserve; but is now practically shut off from the public - as all the land around about it is bought up or homesteaded; and as I have only my homestead which is the North East quarter I would like to have a chance to buy the South East quarter as it is the only available quarter near my homestead & would like to get it for pasture. I would judge about 60 or 70 acres could be cultivated the ballance hill side & Creek bottom land pretty wet & boggy. I made inquiries of Mr Bryant at Calgary & he advised me to write to headquarters & explain the circumstances he knows just what it is like as it was Mr Bryant who inspected my homestead before I got my patent. So I have taken this opportunity of writing You about it. trust you may be able to help me a little as it is my last chance to be able to add anything more to my homestead as I have not been in a position to buy up any more.

Sir, Madam,

You have been recommended for patent for the S½ W½ of Section 12 Tp 44, Rge 27 West of the 4th Meridian which, according to the official plan of survey contains an area of 119.12 acres, the remainder of it being covered by the waters of a certain lake. As the waters of this lake may have receded, making the land which was then covered by water more or less fit for cultivation, it is possible that you may wish to have the patent for your homestead issued to cover the full theoretical area of 160 acres, which includes the land and the land covered by water.

If you desire the patent issued in this way, on your filing with the Department here a solemn declaration, the form of which is herewith enclosed, to be made in accordance with the provisions of "The Canada Evidence Act, 1893," that the land covered by the waters of the said lake, as shown upon the official township plan, is now dry, the patent can then be issued for the full theoretical area of 160 acres, more or less.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

With regard to the wishes of Mr. B. Bjornson, who has located on the N.E.¼ of Section 23, Township 36, Range 2, West of the 5th Meridian, to exchange this land for the S.W.¼ of the same section, the Land Commissioner thinks that if he is to change at all he should be compelled to select a quarter of oneof the vacant even-numbered sections in the District, and states that from the latest Returns in the Dominion Lands Office there would not appear to be any difficulty in Mr. Bjornson doing this. Please advise the latter accordingly, and notify the several squatters mentioned in your said letter to make entry for their quarter-sections.

The half-section applied for, containing 320 acres, is within a stock-raising reserve (Order-in-Council of the 23rd May, 1906), which also includes the [illegible] of this section, and Mr. Esper states that it is the only available land adjacent to his homestead which is any good for farming, and that if he [illegible] would have no objection to [illegible] occupy and cultivate it. Mr. Esper is a [illegible] homesteading with his wife and family; that should his application be granted he is prepared to fence it, build on it and cultivate a portion thereof.

In view of the circumstances recited by Mr. Esper, is it your desire that a report should be obtained from the Inspector of Ranches, to whether the half-section in question is still required as a stock-raising reserve, as if not it could be withdrawn from the reserve

Dear Sir

I have the honor to request that you will be good enough to consider, this my application to be permitted to locate my "Soldiers Scrip" on the East half of Sec 14 - Tp 10 - R 2 - W of 5th Meridian, which is at present reserved for a Watercourse.

The reason for asking this is that I have homesteaded and pre-empted a patent for the S.E.¼ of Sec 15 in the same Township and the said Watercourse is the only available land adjacent to my homestead which is any good for farming, & even as a water-right it is quite unnecessary now and I am heartily certain my neighbours would have no objection to my placing my Scrip on it.

Notice

1864720

Should you be good enough to grant me this favor I am prepared to proceed and start improving it by building on it and cultivating a portion at once.

I will remain for [illegible] your favor
a home-ite settler, living on my homestead
with my wife and family and it means
a great deal to me if I can get this half
section as all the land just about here
(including my homestead) is very hilly
& rough and not much good except for
cattle range, and nothing is further from
my mind than speculating in the land
either now or in the future

Hoping you can early and favorably
[illegible] as I would like to get to work on
the land at once

Memorandum:-

I beg to submit herewith application of Arthur C. Raper, a South African Volunteer, to locate his South African Volunteer Bounty Land Certificate on the N½ of Section 17, Township 10, Range 2, West 5th Meridian, which adjoins his ~~Mr. Raper's~~ patented homestead, the N.E.¼ of Section 18, but is separated therefrom by the road allowance.

The half-section applied for, containing 320 acres, is within a stock-watering reserve (Order-in-Council of the 21st May, 1895), which also includes the S.E.¼ of this section, and Mr. Raper states that it is the only available land adjacent to his homestead which is any good for farming, and that it is quite unnecessary as a water right; he is perfectly certain that his neighbours would have no objection to his placing his South African Scrip on it, and states that he is a bona fide settler living on his homestead with his wife and family; that should his application be granted he is prepared to fence it, build on it and cultivate a portion thereof.

In view of the circumstances recited by Mr. Raper, is it your desire that a report should be obtained from the Inspector of Ranches as to whether the half-section in question is still required as a stock-watering reserve, as if not it could be withdrawn from the Reserve

J. W. Greenway, Esq.,

Reserve and sold in the usual way at public auction, in which case Mr. Raper would have an opportunity of acquiring it, but could not locate his South African Land Certificate thereon.

Sir:-

Referring to your letter of the 20 th. Inst. File 632937 to Mr DeWilton B. Card (Copy of which was sent to me together with a copy of Mr Cards letter of the II th. Inst) I beg to report that on Tuesday Morning the 30 th. Ulto. Mr E. E. Thompson and Mr Hugh McBeth who were acting for Mr D. B. James called at the office in order to secure as a homestead for Mr James the S. E. ¼ 3I - I - 23 - West 4 th. M. and as the land was available and Mr James was entitled to make an entry my assistant who attends to the counter work granted the entry- While this was being done I was opening the mail which generally takes some little time , and when the proper attachments were made it was learned that Mr James had made entry for the land Mr Card desired to secure.

I think I am right when I say that Mr Thompson called at the office before I received the mail from the Post Office, however be that as it may I have always attended to the wants of the settlers at the counter and take up my mail matter when the proper attachments are made which is immediately after the mail is opendd - I cannot see that Mr Card has any just cause to complain except perhaps in the delay in answering his application , but the delay was unavoidable.

Dear Sir:-

re N.E.I/4-3I-29-28-W4th.

We write you on behalf of Mr.Alexander Masson of near Carstairs,Alberta,who settled on this land sometime in 1893. At the time he settled on the land,he thought he was placing his buildings on the N.W.I/4 of 32. He discovered the post at the N.E.corner of 3I and ran a line south as well as he could himself,and believed that his house and buildings were well within the boundary of 32. It now appears that he is on 3I which is part of the land grant of the Edmonton Railway. Mr.Masson has made a large number of improvements on this land,has resided on it practically ever since settling there with the exception of such times as he was hired out for wages earning money which was largely expended in the improvements and largely in support of his father and mother who remained on the property. We believe that in such circumstances where a bona fide mistake has occured,it has been the practice of the Government to arrange an exchange with the C & E people giving them other lands for those occupied by the settler and we desire to know if the Government will not undertake to arrange this case

COMMISSIONER
DOMINION LANDS

J.S.Dennis, Esq.,
Dominion Lands Commissioner,
Ottawa.

Sir:-

I beg to enclose herewith a letter addressed to the Secretary of the Department by McCarthy & Stuart, of Calgary, on behalf of Alexander Wasson, who has homesteaded on Section 32-29-26-4 but finds his buildings on Section 31 which is part if the land grant of the C. P. R. Railway. He now wants to get an exchange made with the Company so as to give him the land upon which he has his improvements. I would be to recommend that this be done if possible.

Kindly acknowledge for transmission.

Yours respectfully,

Dear Sir:-

I enclose you a copy of a letter our firm is today sending the Department of the Interior which will explain itself. Mr. Masson certainly deserves consideration at the hands of the Government and he would be obliged if you could do anything to see that the exchange asked for is arranged. If you can see your way to intervene in the matter it would no doubt assist Mr.Masson materially in reaching a satisfactory settlement of the matter.

Yours truly.

The Secretary.

Department of the Interior.

Ottawa,Ont.

Dear Sir:-

re N.E. I/4 31-29-28-W4th.

We write you on behalf on Mr.Alexander Masson of near Carstairs Alberta,who settled on this land sometime in 1893. At h the time he settled on the land,he thought he was placing his build -ings on the N.W.I/4 of section 31. He discovered the post at the N.E. corner of 31 and ran a line south as well as he could himself and believed that his house and buildings were well withir the boundry of 32. It now appears that he is ~~xxx~~ on section 31 which is part of the land grant of the Calgary and Edmonton Railway. Mr.Masson has made a large number of improvements on the land, and has resided on it practically ever since settling there with the except- ion of such times as he was hired out for wages earning money which was largely expended in the improvements and largely in support of his father and mother who remained on the property. We believe that in such circumstances when a bona fide mistake had occured,it has been the practice of the Government to arrange an exchange with the C & E people giving them other lands for those occupied by the settler and we desire to know if the Government will not

undertake to arrange thiscase in the same way. Pending the settlement of this question we would respectfully request that the patent for the quarter section do not issue to the Calgary and Edmonton Railway Company.

Awaiting your reply,

We are,

Yours truly.

Referring to your letter to Messrs.McCarthy & Stuart of Calgary, written about the 1st June 1900, with regard to Mr.Alexander Masson's application to be allowed to homestead the above mentioned ¼ section. As you are aware this ¼ section forms a portion of the C.& E.Railway Land Grant but we understand from Mr.Stuart that your Department is prepared to allow Mr.Masson to make homestead entry for this ¼ section, provided a Quit Claim Deed to the Crown is given. We have now effected a settlement with Mr.Masson and are prepared to furnish Quit Claim Deed provided the Department will give the C.& E.Railway an equal area of an even numbered section in lieu of the land to be Quit Claimed. Kindly advise us at your earliest convenience what action the Department take in the matter.

Ref. 360,511 on 62,500 C.A.

CERTIFIED Copy of a Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 27th June, 1894.

P. C. No 1895.

On a Report dated 14th June, 1894, from the Minister of the Interior, stating that by an Order in Council of the 15th January, 1891, a grant of 7,680 acres per mile was authorized in favour of the North Western Coal and Navigation Company, now the Alberta Railway and Coal Company, for a narrow gauge line of railway from a point near Medicine Hat to Lethbridge, a distance of 109¼ miles, amounting to 1,091,760 acres.

That this grant was confirmed by the Act 48 Vict., Cap. 60, as amended by 50 & 51 Vict., Cap. [illegible], and was duly earned by the Company by the construction and operation of the narrow gauge line from Dunmore to Lethbridge.

That it was further provided, however, by Order in Council of the 31st May, 1888, that this grant should be increased from 7,680 acres per mile upon condition that the gauge of the railway should be changed from the narrow gauge and made of standard width.

The Minister further states that this increase in the grant was confirmed by the Act 52 Vict., Cap. 8, and the Chief Engineer of Government Railways having certified that the change in gauge had been completed to the satisfaction of the Government, the Company became entitled to an additional grant of 3840 acres to bring the subsidy up to the extent of 11,520 acres per mile, or a total of 1,257,600 acres.

That an Order in Council was accordingly passed on the 26th March, 1894, confirming the Company's right to the additional grant and authorizing the Minister of the Interior to convey the same to the Company, subject to the payment of ten cents per acre to cover the cost of survey and incidental expenses, upon the Company selecting the lands to be conveyed in such grant.

Map.

The Minister further states that of the total amount of 1,257,600 acres to which the Company are entitled they have already been granted 1,095,111.16 acres, as shown coloured red on the map hereto, leaving 162,488.84 acres still to be allotted them, and to provide for this balance the Company now ask that they be granted the lands in the following sets or parts of Townships coloured yellow on the map herewith, excepting Hudson's Bay Company's reserves and road allowances, but including School sections, the lands in question comprising an approximate area of 205,261 acres.

The Minister says no objection to the selection of lands by the Company as before described and, as other lands having been selected for the school endowment in lieu of the School sections included within the townships in question under authority of the Act 50 Vict., Cap. 4, he recommends that the selection be continued and that the lands so selected may be found available at the disposal of the Government, as the Townships coloured yellow on the sketch herewith exclusive of Hudson's Bay Company's reserves and road allowances but including School sections to be applied on the Alberta Railway and Coal Company, on account of the said 162,488.84 acres, that is to say:—Townships 7, in Range 3; miles of the railway from Dunmore to Lethbridge; Township 7, in Range 4; that part of Township 8, in Range 4, lying North and West of North Branch of the Milk River; that part of Township 9, in Range 4, lying North of North Branch of the Milk River; Townships 6, in Ranges 10, 11 and 14; Townships 6, in Ranges 6 and 15; Townships 7, in Ranges 10, 11 and 14; Townships 8, in Range 8; that part of fractional Township 9, in Range 22 lying West of Belly River; and the said lands being West of the Fourth Meridian.

The Committee submit the same for Your Excellency's approval.

Sir,

I am instructed to say that evidence has been filed in the Department in the shape of a statutory declaration made on the 24th September last by W. C. Kirkaldie before a Surveyor who subdivided the township that the said Mr. Kirkaldie went from Montreal in January, 1899, and settled on the S.½ 24---12 W. 4th M., in May following, that he has done no breaking on the land, having used it for ranching purposes, and that he has 200 head of cattle and 20 horses, the improvements in buildings and corrals to the extent of $481.00.

As the land claimed by Mr. Kirkaldie was included in that by him before the passing of the Order in Council of the 27th June, 1894, scheduling the land to the Alberta Railway and Coal Company, he is entitled to obtain a homestead entry for the quarter section. His claim to the S.½ of the same section cannot, however, be recognized.

The Department will be glad to receive from you a letter consenting to the release of the S.½ 24-- --12 W. 4th M., from the operation of the Order in Council of the 27th June, 1894.

Dear Sir:-

I have to acknowledge your letter of the 20th, File 633375, re N. E. ¼ 24-2-19, W. 4th M., upon which Mr. Kirkaldie has squatted. I note what you state about Mr. Kirkaldie having squatted on this land in 1589 as per his statutory declaration. I fear very much that a clerical error was made in taking Mr. Kirkaldie's statutory declaration in respect to the date when he squatted on the property in question that is, if squatting means the date when he first commenced to permanently reside upon and make improvements, which date I place about May 1898. He was employed by the Cochrane Ranch Company for five or six years and left that Company about the time I mention. There were no improvements of any kind on this land when it was granted to the Company in June 1894 and I think you will find that Mr. Kirkaldie will not claim to have made any for at least three years after that date.

Yours truly,

Land Commissioner.

FM.

Department of the Interior,

Ottawa, 15th July, 1921.

Sir,

With reference to the statutory declaration made by you before the surveyor who subdivided the township in support of your claim to the N. E. ¼ of Section 24, Township 7, Range 17, west of the 4th Meridian, in which declaration it is stated that you first settled on and improved the land in May, 1910, I am directed to inform you that the Land Commissioner of The Alberta Railway and Coal Company has advised the Department that there were no improvements on the said land when it was granted to the Company in June, 1914, and that probably your statement was made by mistake, as you would not appear to have taken up your permanent residence until about 1918. I am, therefore, to request you to let me know whether or not the statement made in your declaration is correct; and, if not, to specify the date on which you commenced permanent residence on the quarter-section in question.

Your obedient servant,

Secretary.

W. H. McCaldie, Esq.,

Sir
I am in receipt of your

told him I was from Montana
and he has it finished and
worthy of
mention
I have been in this county since
1889 and have seen a good many
settlers settle
land and they have always got it
even if it turned out to be
school land. Now when I
settled I idea it
was railroad land and as there
are only two settlers in this town-
ship I think you had ought to

let us have our land We have
it fenced and our house and Stable
and every thing we have on it
out of our own homes by the road
road &c. I don't know how the
other settlers feel but I only
think it is right I had
known of the railroad land
and then settled on it
right to turn me off but I
did not know it and so it was not
surveyed & subject to Government
land and that a settler had
as good a right to it as any body.

I am directed by the Minister to acknowledge the receipt of your letter of the 7th June last, requesting Mr. W. H. Biddle's desire to acquire the N. E. ¼ of 4--3--1, W. 4th:, and to say that, in accordance with instructions, Mr. C. A. McCrea, D.L.S., who executed the survey of the Mineral Claims, was communicated with on the subject. It seems, however, that Mr. Biddle's statement was not considered sufficient evidence, as (illegible) was of the opinion that some informal entry should be made by reside[illegible] upon the Quarter-section about May 1[illegible]. However, Mr. Biddle was asked to have the Agent here complete the first necessary application for the land; and he now writes, I suppose, that he was several [illegible] in his entry by location, but that he only made his permanent place of residence in 1899, and that he had been in the country since 1886. Sir,-

N.W. ¼ of Sec. 10 Tp. 57 Rge. 25 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir;-

The Citizens Lumber Company, Ltd., of this City have a claim of approximately $185.00, against a party by the name of Emma Estella Waters, of Magrath, Alberta, who made an entry for a Homestead under the Dominion Lands Act on the South-East one-quarter of Section Nineteen (19), in Township One (1), Range Twenty-one (21), West of the Fourth Meridian, in the Province of Alberta. The claim of the Citizens Lumber Company, Limited, is for lumber and building materials supplied to the defendant and used by her in the erection and construction of improvements of the said quarter section. It appears that this party has abandoned her homestead entry and has left no assets in the Province of Alberta.

As we understand the matter under Section 15, of the Dominion Lands Act, the Minister of Interior may require the next homestead Entrant of

Please write us fully in this matter setting forth the policy of the Department in such cases.

MEMORANDUM:-

Mr. Bruce.-

Please see the Memorandum of the 7th May last, marked.

On the 14th idem the Agent of Dominion Lands, Lethbridge, was requested to instruct the Homestead Inspector to report as to whether Mr. Ottis Hitt's free homestead, the S.E.¼ of 19-1-21, West of the 4th Meridian, contained arable land to the extent required to obtain patent for a pre-emption.

The supplementary report of Mr. Homestead Inspector Scott of the 31st ultimo is as follows:-

"The 15 acres of breaking is all the land fit to break on Mr. Ottis Hitt's homestead, S.E.¼ 19-1-21, W.4th, the land being mostly broken on the flat land is wet and swampy during the spring so that it is not fit for cultivation. Mr. Hitt has all the land on his homestead and pre-emption that is fit to break already under cultivation."

In reply to your memorandum ~~of the~~ endorsed on 643022, I beg to say that, in my opinion, to comply with the request of Mr. Edmond Jureau, the locatee of the Half-breed land scrip, or of Mr. Cristall, his assignee, that the location of the scrip be cancelled, and the assignee be permitted to place another land scrip on the land, and that Mr. Juneau be permitted to ~~xixxx~~ locate his scrip in Southern Alberta, in order that Mr. Cristall may get the land without the judgment now standing against Mr. Juneau, would be creating a dangerous precedent, and would appear to be contrary to the practice established by the present Minister in somewhat similar cases respecting the registration of assignments, which is that no assignment may be registered here unless, among other things, a certificate is filed from the Registrar setting forth that there are no judgments registered against the land or assignor.

I am directed to acknowledge your letter of the 3rd instant, asking that you may be allowed to withdraw the scrip which you located on the S.W.¼ and the W.½ of the S.E.¼ 10--51--27 W. 4th M. and place the same upon land in South Alberta. In reply I am to say that it appears that you have assigned your location as above to Mr. R. This request I am to say it is regretted cannot be complied with, as it would be contrary to the practice of the Department respecting the registration of assignments, which is that no assignment can be registered here unless, among other documents, a certificate is filed from the Registrar setting forth that there are no judgments registered against the land or the assignor.
